

BOARD 'N' BACON
CHARCUTERIE

HELLO.

WE ARE BOARD'N'BACON.
WE'RE SO GLAD TO MEET YOU...

We fell in love with charcuterie and often found ourselves catering to friends and family with a variety of meat and cheese boards. With Pete being a trained chef and graduate of the Culinary Institute of America (CIA), we believed together we could create art through perfectly balanced boards that were both visually appealing and tasteful. Not to mention, our boards provide the freshest, locally-sourced ingredients and homemade provisions!

BOARD'N'BACON IS A TRUE FAMILY AFFAIR. Our daughter Paisley Mae and son Quinlan William are our sole purpose behind why we created Board'N'Bacon. During 2020, our mission to help others became so much more prevalent- so here we are! We wanted to unite people again. We wanted to lift their spirits through gatherings with family and friends and by celebrating a love of food from farm to table.

We are proud to donate a portion of all our sales to IACKids, a nonprofit helping families of children with severe illness and financial hardship.
